

New Sermon Series

## New Sermon Series Starting April 11<sup>th</sup> 6 Weeks of Love

When Jesus came to this earth, He demonstrated that He understands both the wonder and the pain of your relationships. He experienced them both. He came to show you how to enjoy a new way of relating to God and to others. The path to the greatest life possible and greatest joy possible is found in the priorities of love and relationships that Jesus so beautifully modeled and communicated. When you place greater emphasis on that which is less important in your life it only causes confusion and discontent.

So join us as we take a six week journey that will focus on six basic relationship principles taught by Jesus. This journey will help you take practical steps that will show you how to examine your priorities in life and bring new health and richness to your marriages, families, friendships, and all the relationships in your life.

- **Placing Your Highest Value on Relationships**
- **Learning to Love as Jesus Loves You**
- **Communicating from the Heart**
- **Saying No to Hypocrisy and Judgment**
- **The Daily Decision of Humility and Forgiveness**
- **The Habits of a Loving Heart**

Each week Mon.-Fri. you will be able to receive through email or, possibly text, a *thought for the day, scripture reflection and question to ponder*, to help you on your journey to transform your relationships and strengthen your love for God and for others.

*Be sure and join us and invite a friend.*

Life has a way of getting in the way of good marriages. You start out fully focused on each other, but as the years go by, the time you had to simply relax and talk gives way to busy schedules. Before you know it, checking your email on Saturday is more important than carving out a date night.

Family Life's Weekend to Remember conference is a chance to get away from the daily distractions and reconnect. Each conference is an opportunity to engage with good speakers and make progress in your relationship.

These weekends have changed the lives of many couples. So whether you are struggling in your relationship, feeling challenged, or just wanting to reconnect and go deeper this weekend can help you do just that.

If you register during April cost is only \$129.00 for the weekend and \$80.00 per night at Red Rock Resort and Casino. If you would like to attend but find these cost prohibitive, contact Pastor Don at 873-3589, some scholarship money has been provided for us to distribute. Schedule is as follows
