Youth's

Name: _____

Publicity Release

Throughout the year there will be photographs and video recordings of the youth as they participate in the schedule of activities. We would like to ask your permission to use these photographs and/or recordings for future brochures, promotional materials, and/or the youth webpage. It should also be noted that your child(ren)'s name(s) will not be connected to the pictures or recordings.

Yes, you have my permission to include photos and recordings of my child(ren)

No, please do not include photos or recordings of my child(ren)

Text Messaging Release

We often use text messaging as a communication tool with the youth. In order for a youth to participate we must have parental permission, and have the parent on our contact list as well.

Yes, you have my permission to send text messages to my child(ren).

If yes, then please fill out below:
